UNDERCLASSMEN pg. 116

Chris,

I must say you are a very perculiar person. We had some real times in Religion Classes. The worst was sitting next to you and trying to breath. The "cigs" you had after Lunch were -"EL RONCHO" Good Luck in The Future

Kenneth L. Sanden

1976 is a time to celebrate. For our country, it is a time to commemorate our 200 years of liberty. For us at West it is also a happy time. For the underclassmen, it is one step closer to graduation. For seniors, it is the beginning of a new life.

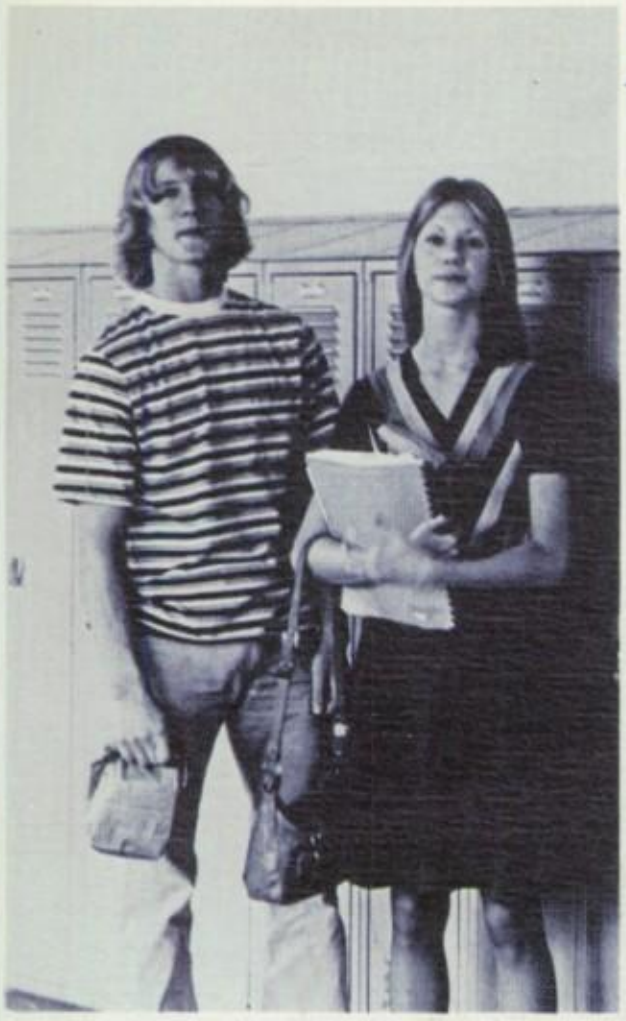
Freshmen year is like the colonial and Revolutionary periods: a shakey start, a time to get your bearings, and a lot of growing to do.

Sophomore year is pre-Civil War: a time when you are not exactly at the top, but a time when you've gained some respectability.

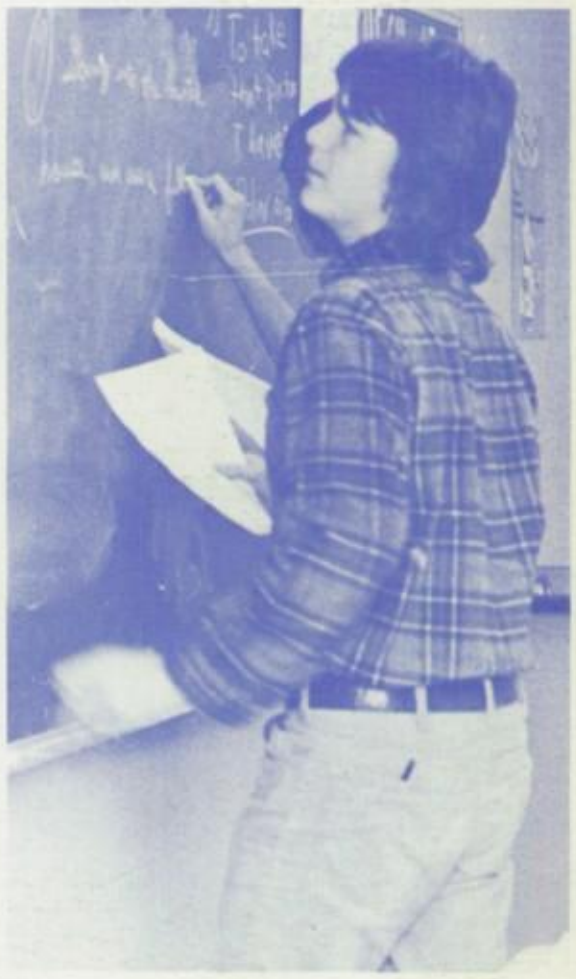
Junior year is post-Civil War and on into the 20th century: you're mature now, but the problems, decisions, and responsibilities of adult life begin.

Senior year is the 20th century: you are number one in school, and all look up to you. You have your hand in many of the school's projects. And equally as important, you look to the future.

Chris,
Typing was something else this year. I am really surprised we made it through the year with crazy Tea. but Best of Luck Anyway in your future
Sharon



WE REMEMBER THE MOMENTS . . .



Milestones

Something is remembered
As each day passes by
And things which are important
Stay forever in our lives

We remember the moments
Of laughter we've shared
And times when the silence
Could hardly be bared

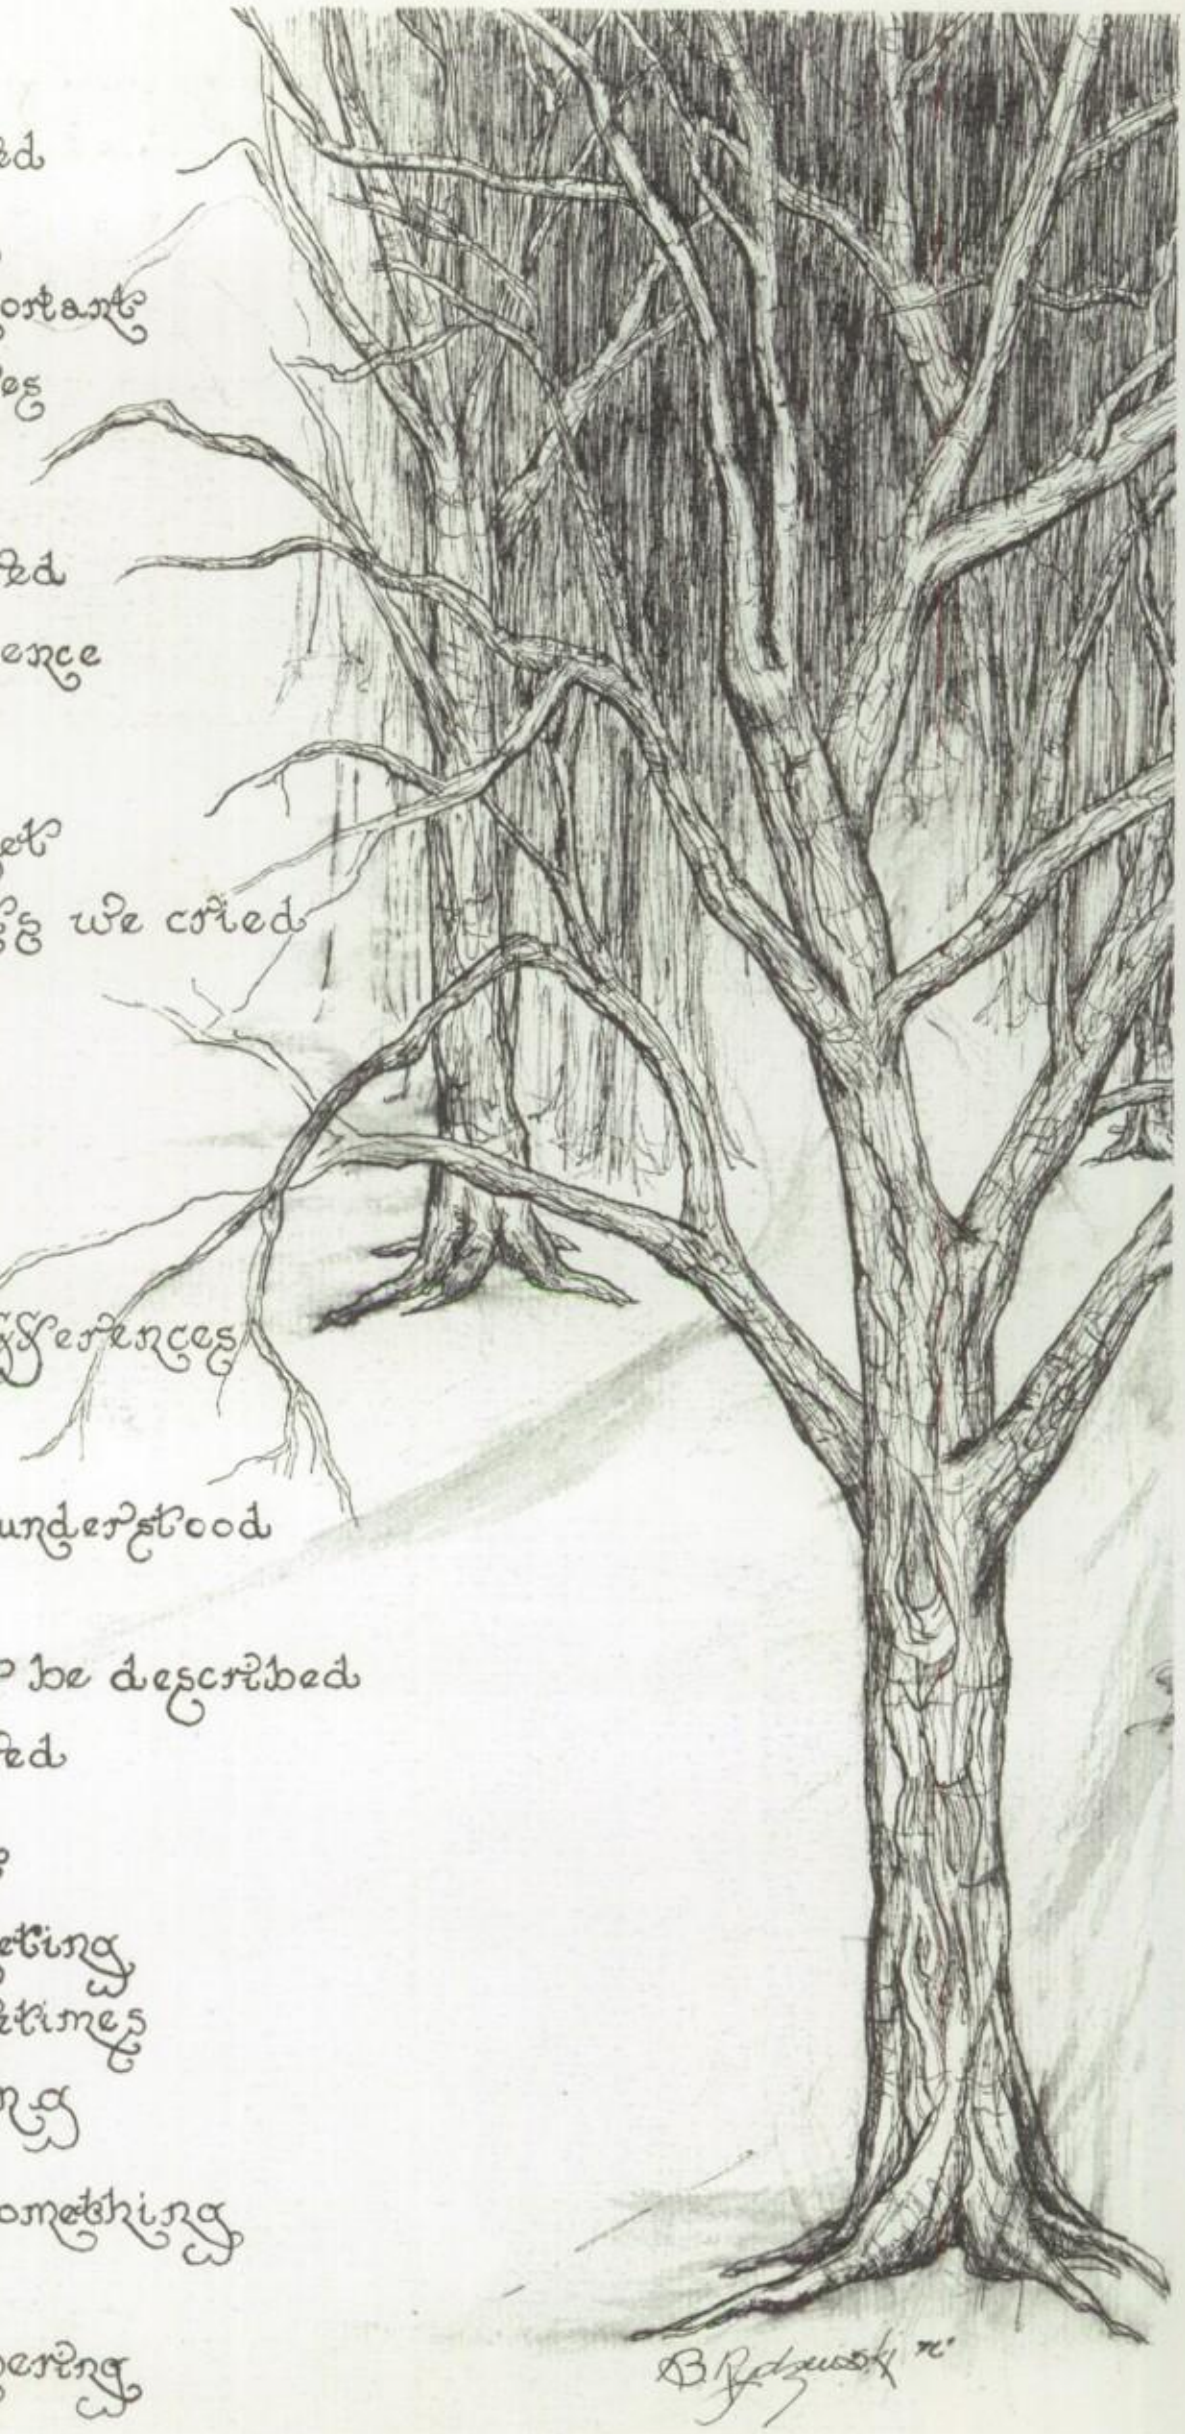
We can never forget
Some of the moments we cried
After we told of
Some moments we lied

And those were the
Most important of all
To straighten out our differences
No matter how small

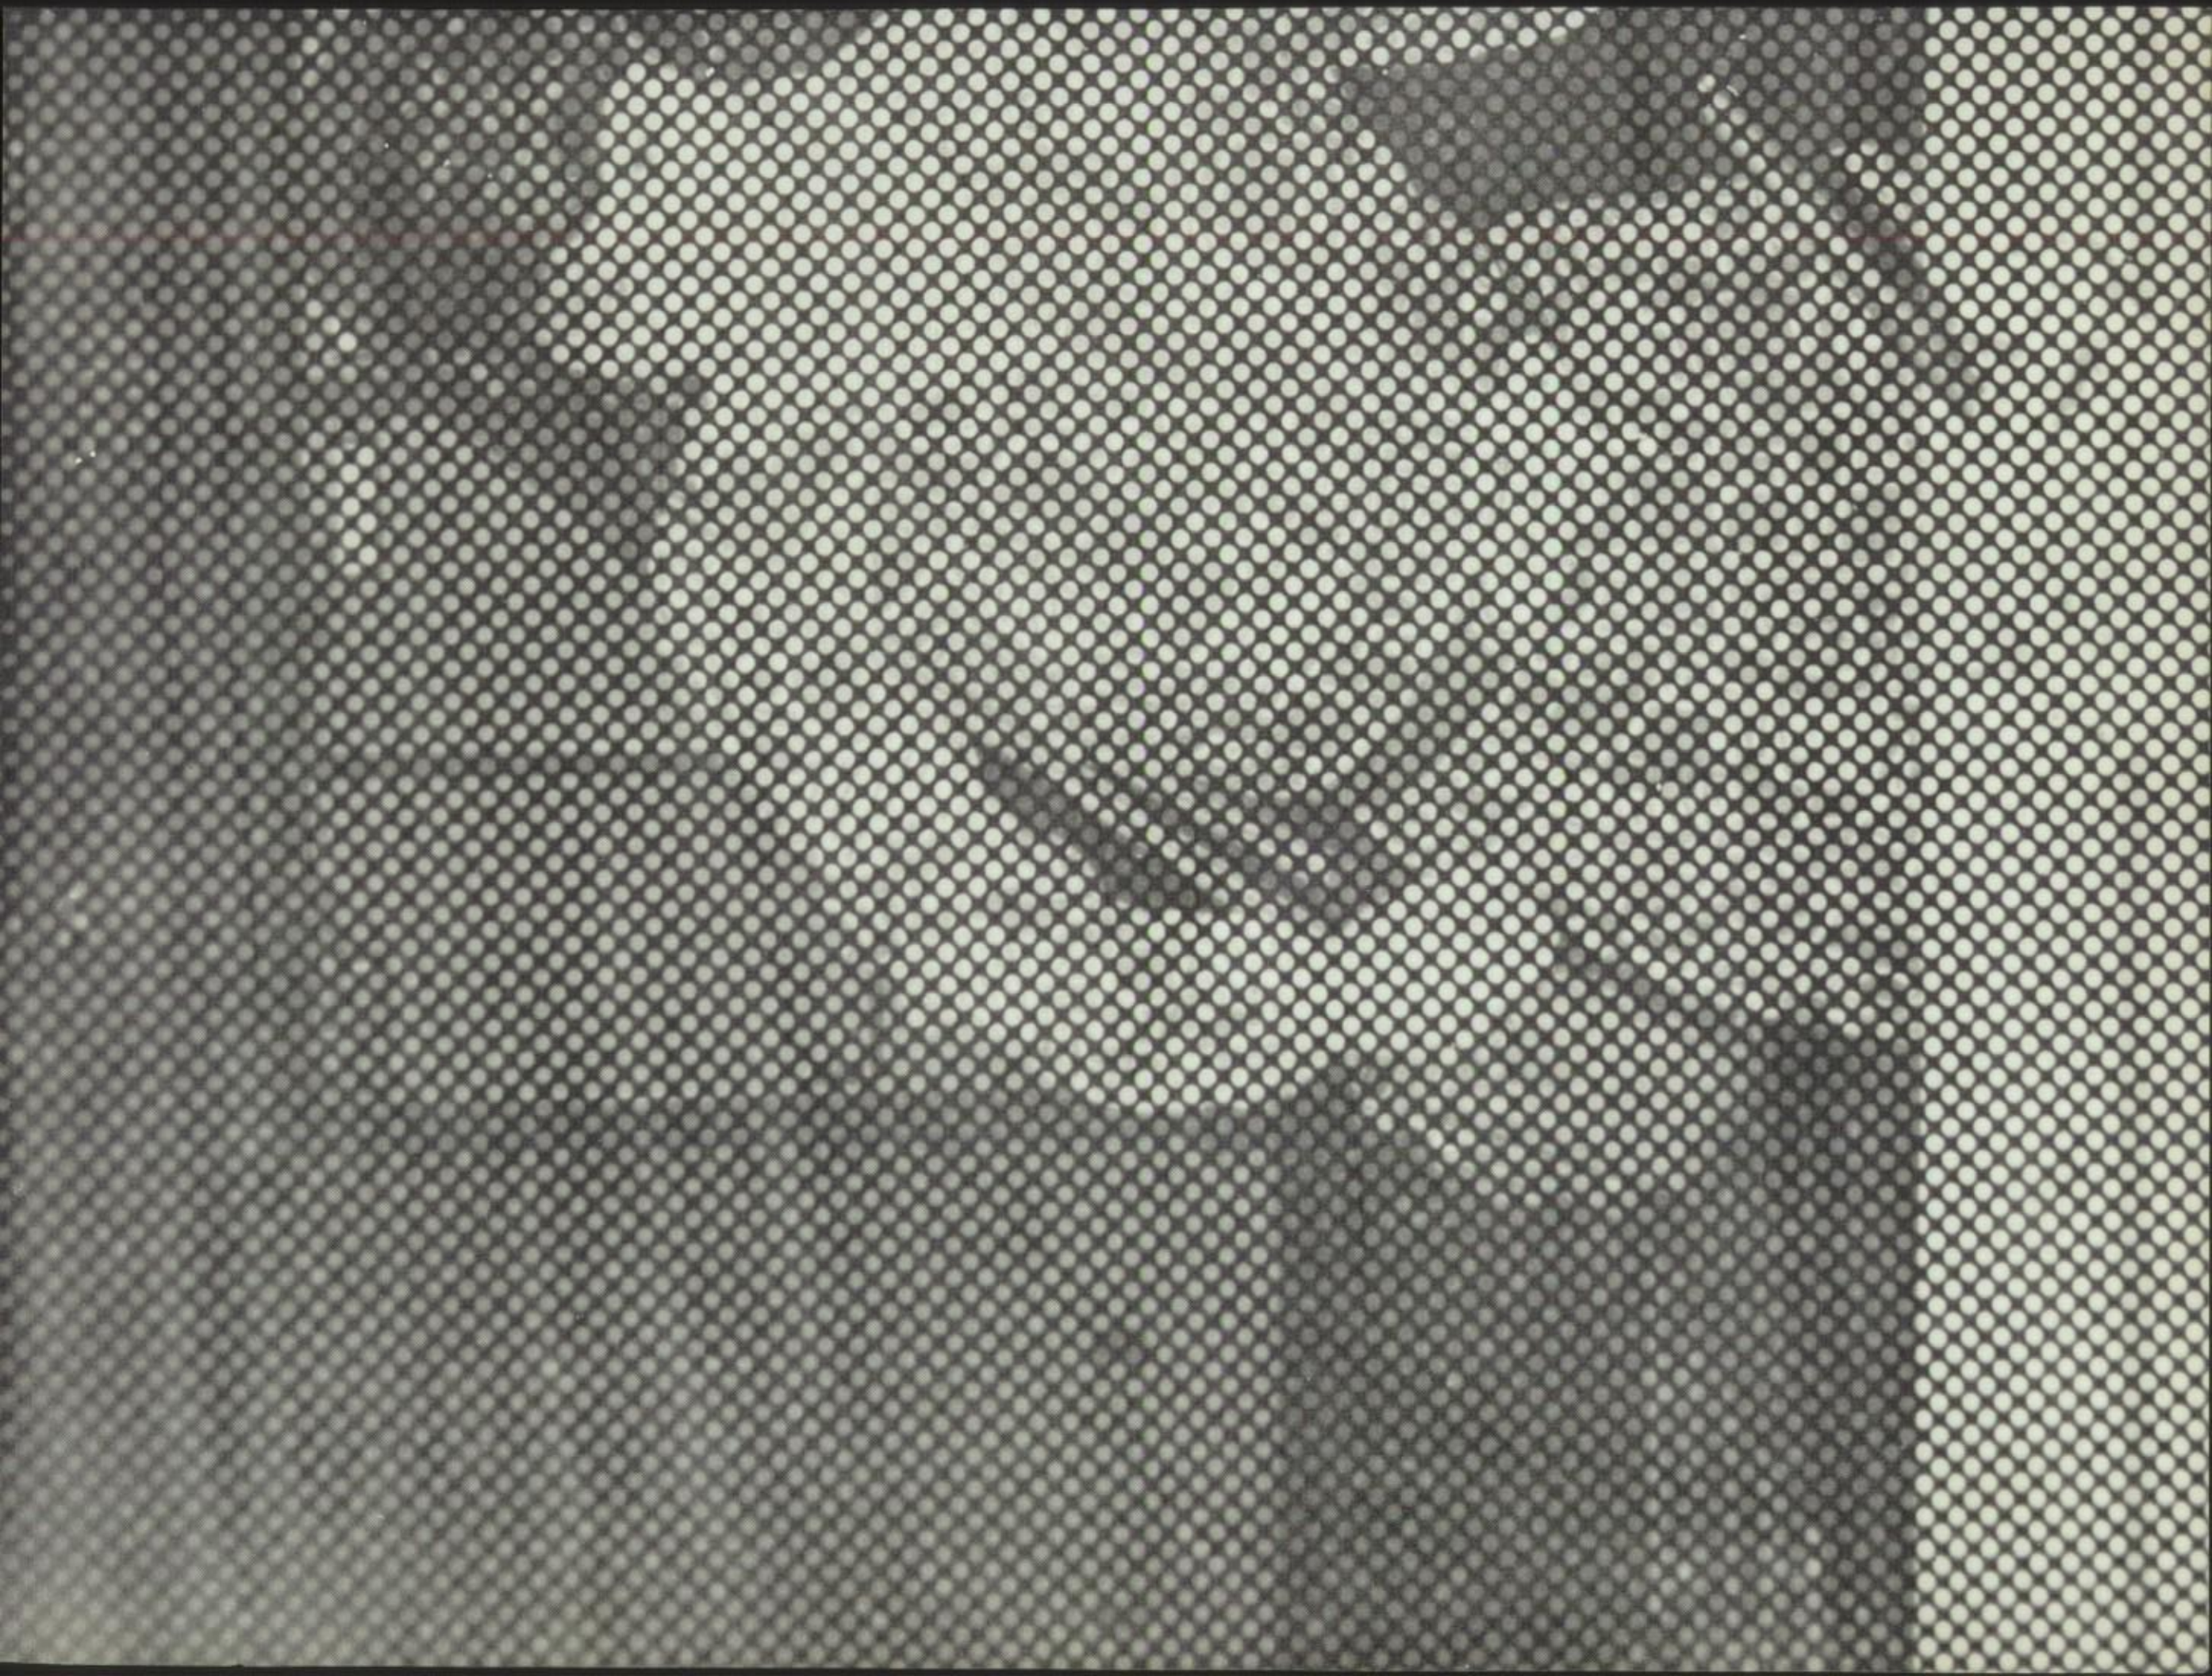
For when something is understood
Between two people
Their feelings cannot be described
But always remembered

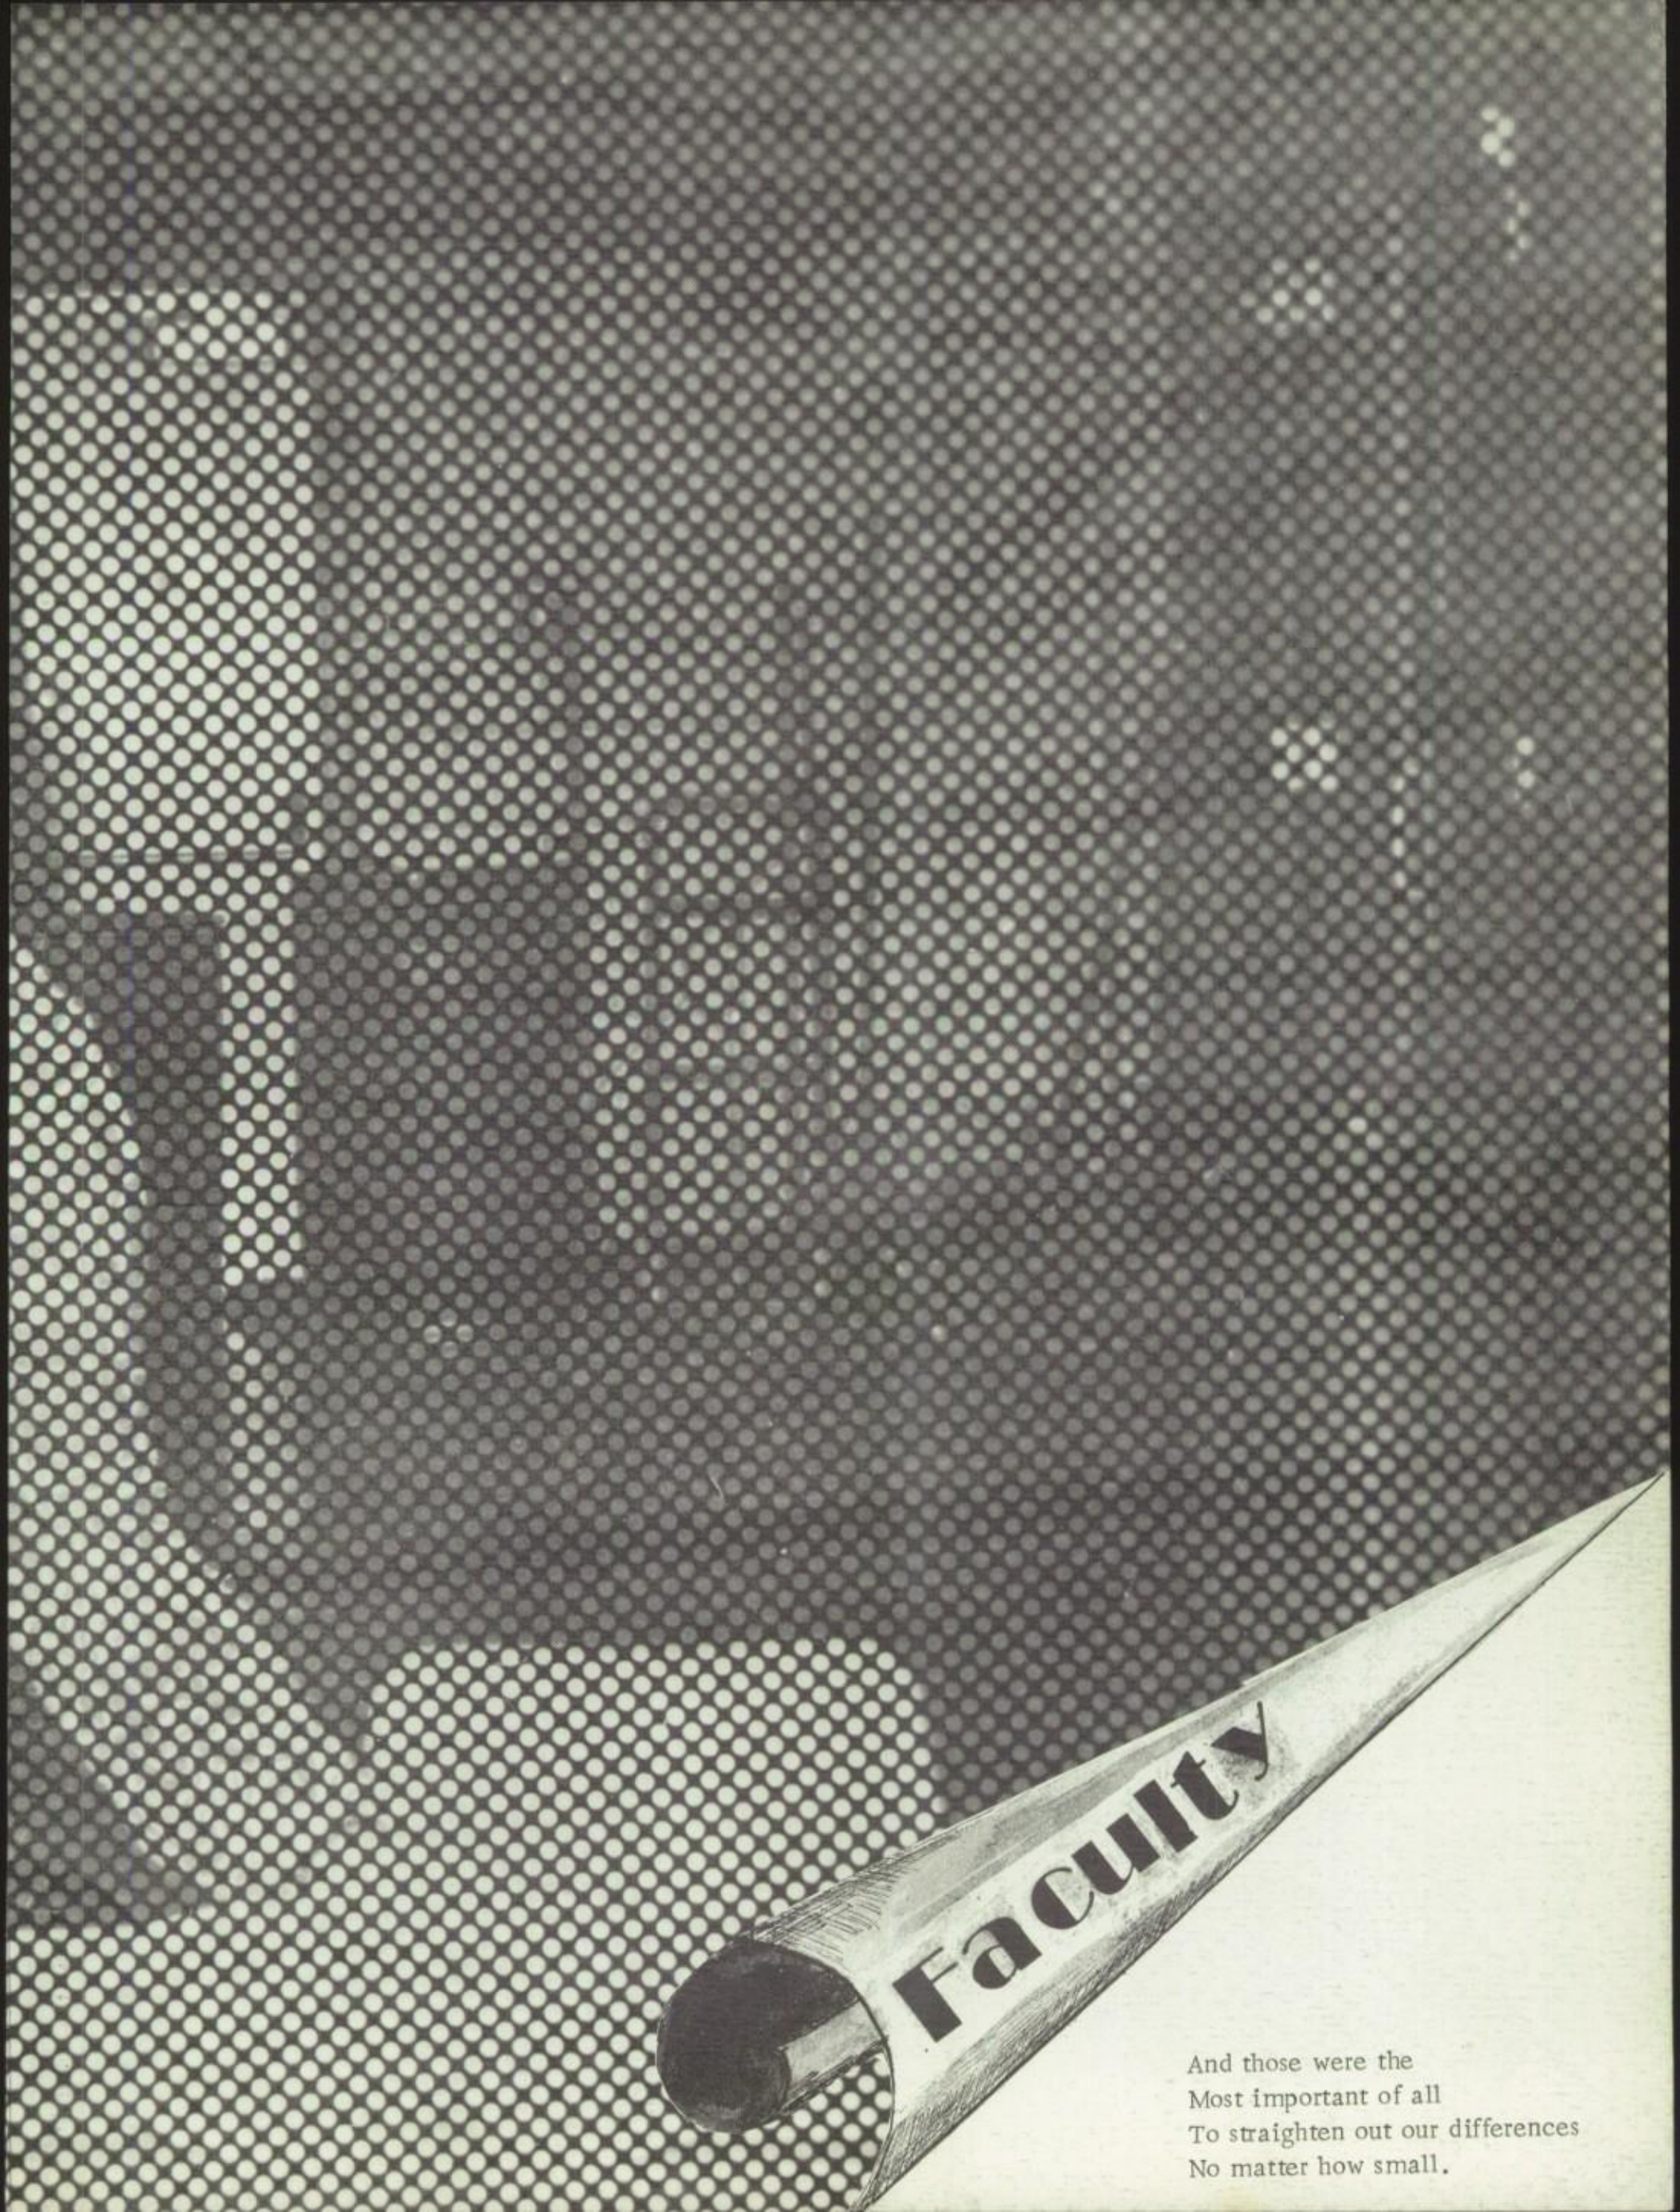
We shall never forget
All the people we're meeting
Who speak of their lifetimes
In moments so fleeting

And each one has something
So important to say
We will soon be remembering
Every day.



AS EACH DAY PASSES . . .





And those were the
Most important of all
To straighten out our differences
No matter how small.

Homecoming '75 takes place all in one weekend this year, starting at Houseman field on Friday, October 24, with the game against Christain. Excitement builds during the half-time ceremonies, and this year's royalty, Mike Schmidt and Irene Franowicz are announced and crowned by Mr. Hoffman. The only thing that spoils this evening is the loss to Christain.

The following evening, smiling couples enter the colorfully-decorated ballroom to enjoy the annual Homecoming dance, and to listen to the music provided by 2 AM. The large wishing well stands under a rainbow to depict this years theme, "Wishing You Were Here." Both students and alumni dance away the hours, happy that they are a part of this milestone of the school year.

The quantity of pep rallies is small, but the quality is superb, as the pep club, cheerleaders, and interested students plan the assemblies. Cheers and skits contrubute to school spirit and unity, whether the purpose is to "fire up" for a big game, or to introduce the Senior court members for one of the annual dances. Either way, the entire student body joins together to take a break, let its hair down, and promote Falcon Spirit!

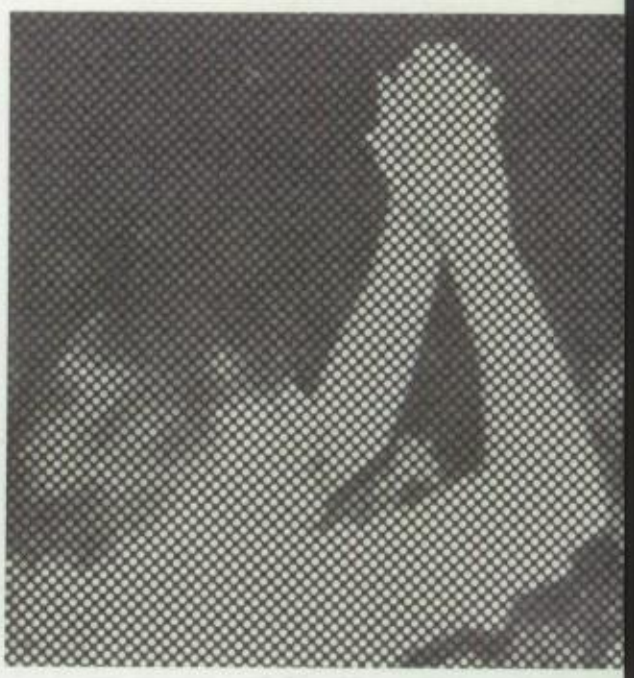
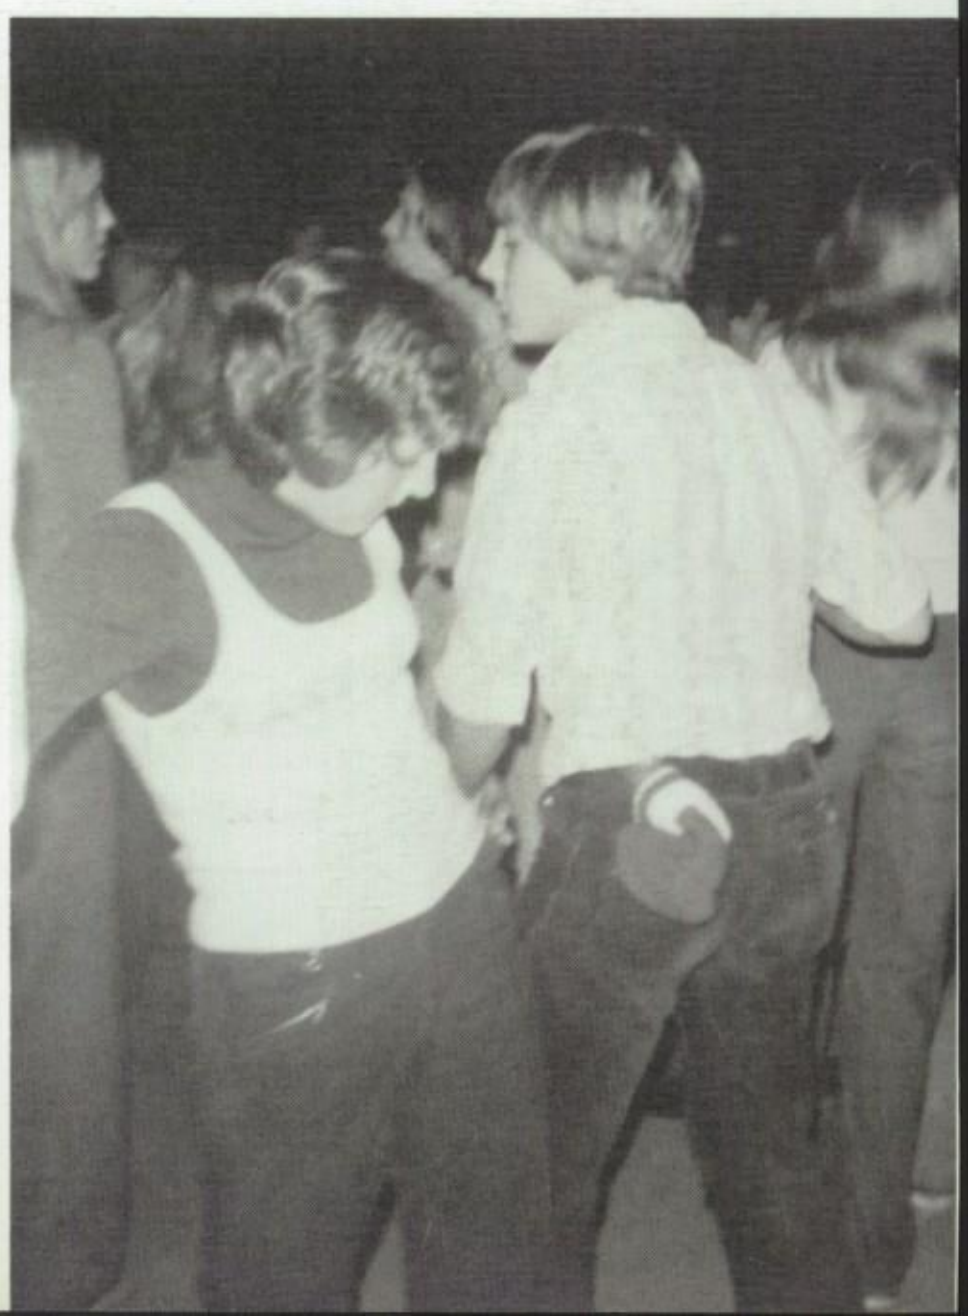
Students Enjoy Dances





Instead of its annual Halloween dance, the Sophomore class sponsors a school-wide event on November 15. New dances, like the Bump, as well as the traditional "fast dances", "slow dances", and polkas, are performed with perfiction by the fleet-footed Falcons.

JRS. DEFEAT SRS. IN CLOSE GAME

On Sunday, November 9, a tense game of football takes place at Holy Spirit Field. It's the annual Powder Puff game between the Junior and Senior girls. After a couple of hours of bruising competition, the Juniors emerge victorious by a score of 6-0. The only scoring comes on a disputed touchdown by Sue Makowski.

During the game, the Seniors try some unique strategy, including their "jive play". However, they cannot overcome the swiftness of the class of '77. Injuries are numerous as both teams battle for a victory.

The Varsity Club initiates its new members on November 26 this year. The initiates are easy to pick out, as they are the only ones in school wearing diapers and pulling toys.

At night, the "hepped-up" faculty team and the "young blood" Varsity Club team go at each other in a battle of skill, sharpshooting, and speed. The faculty, led by Gunner Schafer, play a strong game, knocking off the Varsity Club by a score of 50-48. One faculty member admits, "We let them catch up so the game wouldn't be so boring."

Hard work, persistence, talent, and dedication all go into West's first undertaking of an All-School play, entitled "The Curious Savage." Miss Joni Kuzma and Sis Heidenga direct the successful production, held in West's cafetorium on November 21 and 22.

Set in an insane asylum in the late 1940's, the story revolves around Mrs. Savage's step-children and their attempts to get her million dollars. Their schemes prove unsuccessful as Mrs. Savage proves she's a lot "saner" than they'd thought.

The dramatic performance proves that West holds a lot of terrific talent.

What Child Is This?

The music of West's four singing groups tickles the ears of the spectators in West Catholic's auditorium on December 7. This year's Christmas Choral Concert, entitled "What Child is This?" centers around music for and about children. The production truly put everyone in the Christmas spirit.

A Time for Prayer

Throughout the year the student body gathers in the Cafetorium for All-School Masses. Each Mass is different: the readings are presented in various ways; offertory processions consist of different people and offerings; and occasionally a choral group performs a hymn. West's students not only learn together; they pray together.

Unusual spring-like weather greets students as they come to West Catholic on the evening of February 14. Here's My Heart 1976 takes place in the gaily-decorated ballroom at West, and is attended by about 150 couples. Sweetheart Artisha Makarewicz and Don Juan Brian Schaaf reign over the evening.

Streamers and balloons hang from the ceiling, as well as the words "Beat of My Love", this year's theme. The sweethearts and their valentines dance to the music provided by Harbour". Ready... Set...

Activities provide a time for smiling, laughing, learning, and experiencing. We meet and see new faces as we attend a dance or take part in a pep rally. Remember the good times at Powder Puff, or the laughs we shared at Varsity Faculty Game. We'll have memories of the fun we had making the Homecoming Float, and we'll never forget the Sunday mornings we sacrificed our sleep to play Intramural Basketball. Those dances, games, pep rallies, and concerts will be remembered by all, so, ready, set, go. . . we caught you in action.

"Believe . . . You Gotta Believe!" That's the slogan of the 1975 Varsity Football Team. With this year's team dominated by Juniors, the Falcons suffer through a season of inexperience, injuries, and heart-sickening losses. Posting a 3-6 season, the Falcons gain confidence, poise, and experience as the season progresses. With the upset against Creston highlighting the year, the young Falcons and Coach Julian are looking to better fortunes next year.

Dynasty Molds Masterpiece

The young Falcons once again show their strength of last year. After a fantastic Freshman year, the J. V. gridders uphold the tradition of past years, while molding a masterpiece in every coach's mind: "a city championship riding with a perfect 9-0 season." With Mr. Wagner and Mr. Mulder leading their empire, the young Falcon dynasty show poise, class, determination, and above all human sympathy when they literally destroy the city league. With plays that are executed to perfection, and the countless number of young superstars, surely next year will be one for great victories and future promise.

FROSH DEFEND WINNING TRADITION

The Freshman football team, which is smaller than in recent years, proves that it can still carry out the West Catholic tradition of winning. Pride and spirit carry the team to a 5-2 record, taking 3rd place in city competition. Under the direction of coaches Galvin and Misner, the team displays teamwork and winning style.

HARRIERS SHOW CLASSY STYLE WHEN RUNNING THE 3 MILE.

This year's Cross Country team is filled with young determination and almost certain future stardom. With the Rodgers brothers, Gary Vachon and Tom Dawson leading the way, the Falcons harriers pull off a surprising 3-3 record in duels and finish with respectable places in the regional. With only the co-captains, Shawn Rodgers and Paul Swidwa, leaving next year we look forward to the same type of performance.

GOLFERS COME UP TO PAR

This year's golf team is one of many classics. With the return of three starters, Phil Parsh, Dave Huizenga, and Scott Makowski, the golf team plays aggressive, accurate, and skillful golf against some of the toughest competition in years for area schools. With a record of 5-1 in the dual meets, the golfers have a very respectable season at hand.

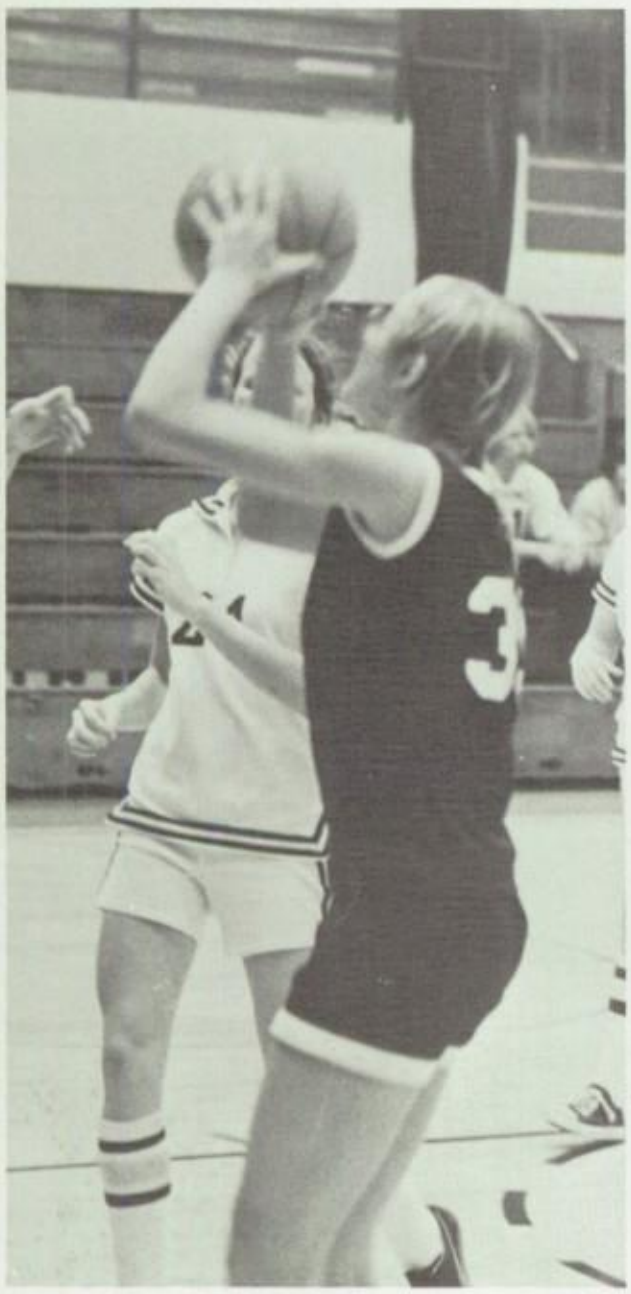
GIRL'S SPORTS

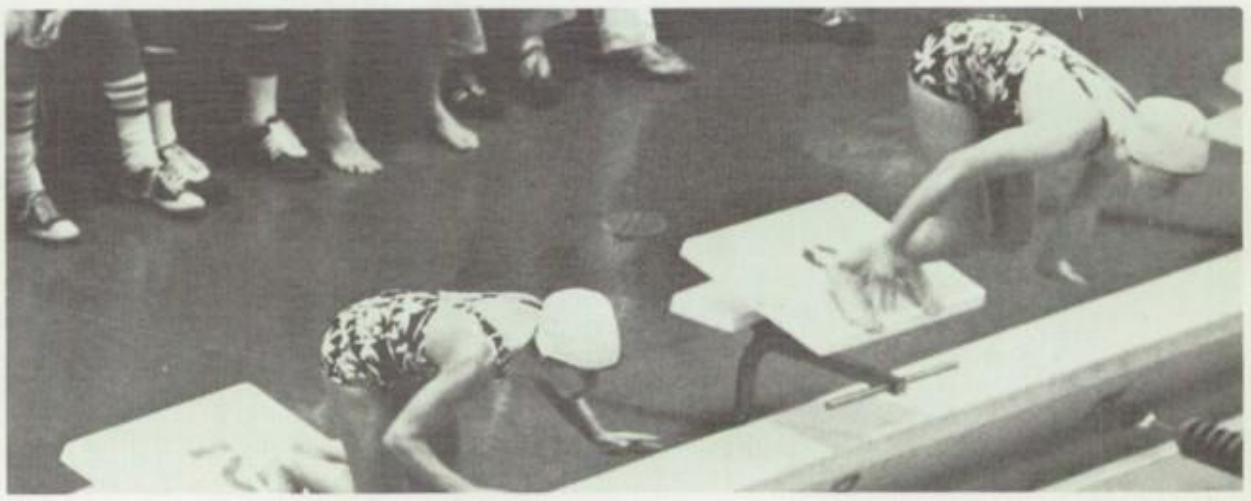
This is your first game, team
I hope you win.
I hope you win for your sake, not mine
Because winning's nice.
It's a good feeling.
Like the whole world is yours.
But it passes, this feeling.
And what lasts is what you've learned.

And what you learn about is life.
That's what sports is all about.
Life. . .
The happiness of life.
The miseries.
The joys.
The heartbreaks.

There's no telling how you'll do.
You might be a hero
Or you might be absolutely nothing.
There's just no telling.
Too much depends on chance
On how the ball bounces.

I'm not talking about the game, team
I'm talking about life.
But it's life that the game
Is all about.
Just as I said. . .





On the Move and Kicking...

PROUD IN VICTORY . . .

It is a year of both heartbreak and happiness for the Girl's Swim Team. The young mermaids open the season by losing to Catholic Central literally by .4 of a second. Another controversial event occurs at the Union meet, ending with a protest entered in the City League by Coach White, having no results. The swimmers do, however, finish their season third in Duals and come through with a second in the City Meet!

No matter what the odds, the spirit of the girls cannot be daunted. Coaching for her second year, Ms. Bridget White was again pleasantly surprised by the annual tradition of decorating her car for the Union meet. Throughout the season, the girls really show they are "Proud in Victory--Strong in Defeat!"

This year's Girl's Varsity Basketball Team have nothing but smiles on their faces as they finish an outstanding season. Tied with Creston for the City League Championship, they finish with an impressive 10-2 record and also capture the District Crown. In two years, the girls move from last place to first--a MILESTONE to be proud of!

COMPETITIVE URGE =

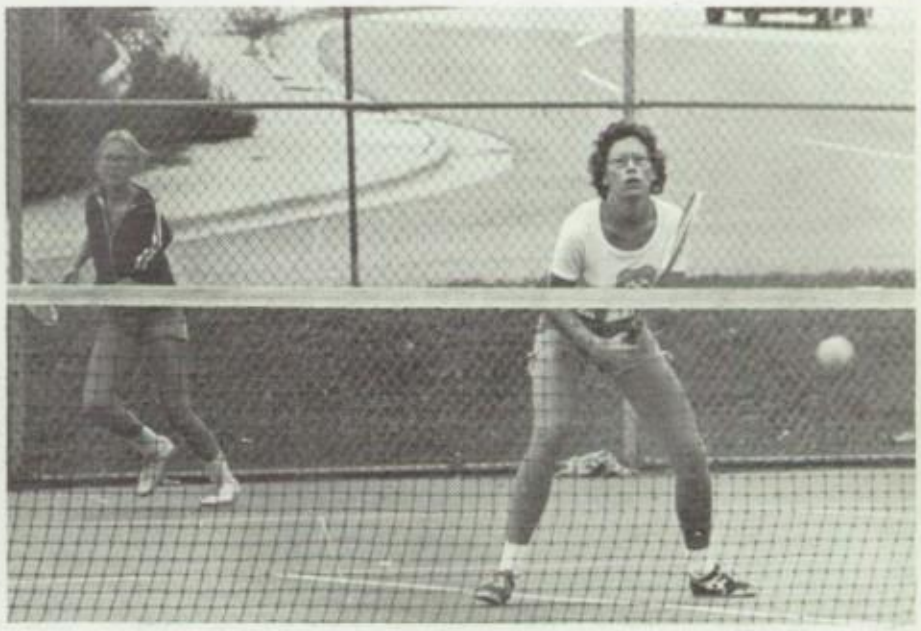
In it's first year, the girl's JV Basketball team comes through with a strong showing. Last year's Freshman team is now eliminated, and replacing it is a new JV team. This present innovation is created by the City League in hopes of better competition for the girls, and Coach Patti Tibaldi is strongly in favor of the change. All in all, it proves a very successful year as the girls complete the season 9-3 and take a big SECOND in City!

FIRST ROW: Lori Brown, Jean Braunschneider, Heidi Spielmaker, Donna Chippewa, MaryAnne Gumowski, Kim Robach. SECOND ROW: Barb Orlikowski, Sue Magin, Tammi Shepard, Carol Sawinski, Patty Bouwhius. THIRD ROW: Assistant Coach Joe Tibaldi, Karen DeFouw, Sandy Podell, Robbie Rasch, Karen Dola, Beth Masck, Therese O'Brien, Jodie Tyron, Mary Thayer, Coach Patti Tibaldi.

HIGH PERFORMANCE ABILITY!

GIRLS PROUD OF IMPROVED SEASON

In its second year of competition, the Girl's Tennis Team improves its league record to 2-7 over last year, and rates fifth in the city meet. The young team comes through with some big upsets for other schools in the city and is quite satisfied with its showing. The girls show such tremendous form that Coach Szymanski is looking forward to even better things next year.



FRONT: Mary Smigiel. FIRST ROW: Linda Hill, Debbie Carpentier, Monica Rogers, Karen Glynn, Nancy Witt. SECOND ROW: Barb Viseta, Mary Summers, Mary Hreuda, Mary Witt, MaryAnne Siegel, Julia Burns. THIRD ROW: Cheryl Alflen, Annette Pomper, Mary Usakowski, Judy Platte, Maureen Reardon, Monica Garlington, Coach Szymanski.

But always remembered...

So it is with the J. V. and Frosh Cheerleading Squads. The year is full of many successful as well as embarassing moments: working on new skits and cheers for games and pep rallies ...brightening the halls with lively signs and posters...falling off mounts ...forgetting a cheer.... Coached by Miss Judy Norris, throughout the year the girls display true Falcon spirit!

FRESHMEN CHEERLEADERS RIGHT: Diane Smilgiel, Karen DeFouw, Jodi Tyron. SECOND ROW: Joni Zwier, Trudy Bekker, Dawn Kunecki. STANDING: Mary Jane Bialk, Gerri Banaszak.

JV CHEERLEADERS: FIRST ROW: Jill Ryan, Tina Blue, Mary Alber, Michelle Maddow, SECOND ROW: Sharon Urbane, Anne Voss, Rita Terhaar, Nancy Houseman.

And the Spirit Lives On...

STANDING: Mary Rademacher, Janet Buzalski. SITTING: Joanne Spruit, Sue Zwier, Karen Cichon, Patty Kliebush, Artisha Makarewicz, Janey Schantz.

The Varsity Cheerleaders are active this year, promoting spirit throughout the school. Through hard work and great effort, they receive superior ratings at the National Cheerleading Association Camp this summer. On September 27, the girls set-up their own clinic for the Catholic grade school squads to help the young cheerleaders develop good form and new cheers. Another purpose of the clinic is to raise money to pay for the sparkling new uniforms that the girls are proud to show off.

And, not to be forgotten, is our ever faithful mascot, Freddy Falcon. Through rain, snow, wind, and sleet, both Freddy and the cheerleaders have done their best to promote the spirit of the Falcons!

Three years ago, West's girl's sports program consisted of one team--Freshman Basketball. Since then, five more teams have been created. On the court, Coach Wagner's facial expression ranges from the vivacious features of "Howdy Doody" to the oppressed look of an opera star at an Aero Smith jam session, all of which serve to disguise the fact that the Varsity Basketball season of '76 has been topsy-turvy.

Despite the injuries that persecute the players throughout the season, despite the mistakes that virtually plague the dribble of the basketball, the team still shows flashes of unbelievable talent, optomistic hopes, and a school spirit that eventually explodes and unites the whole school again.

LITTLE FALCONS PLAY ROLE OF SPOILER

Mr. Annerino has made it three in a row! Although the class of 79 has lacked the size of the past years, they make up the difference by the hustle and quickness that has placed them high in City League standings. "GALVIN'S GRAPPLERS" PLACE SECOND IN CITY TOURNEY

A second in the City Meet, an upsetter in dual standing, and they consider this year as a year of rebuilding? Most coaches would give their eyeteeth for a reputation as West's. With a bleak forecast installed, Mr. Galvin became the new head coach of a team that is dominated by underclassmen. He managed to bring the team from a slow start to a good finish, leaving respect in the eyes of competitors.

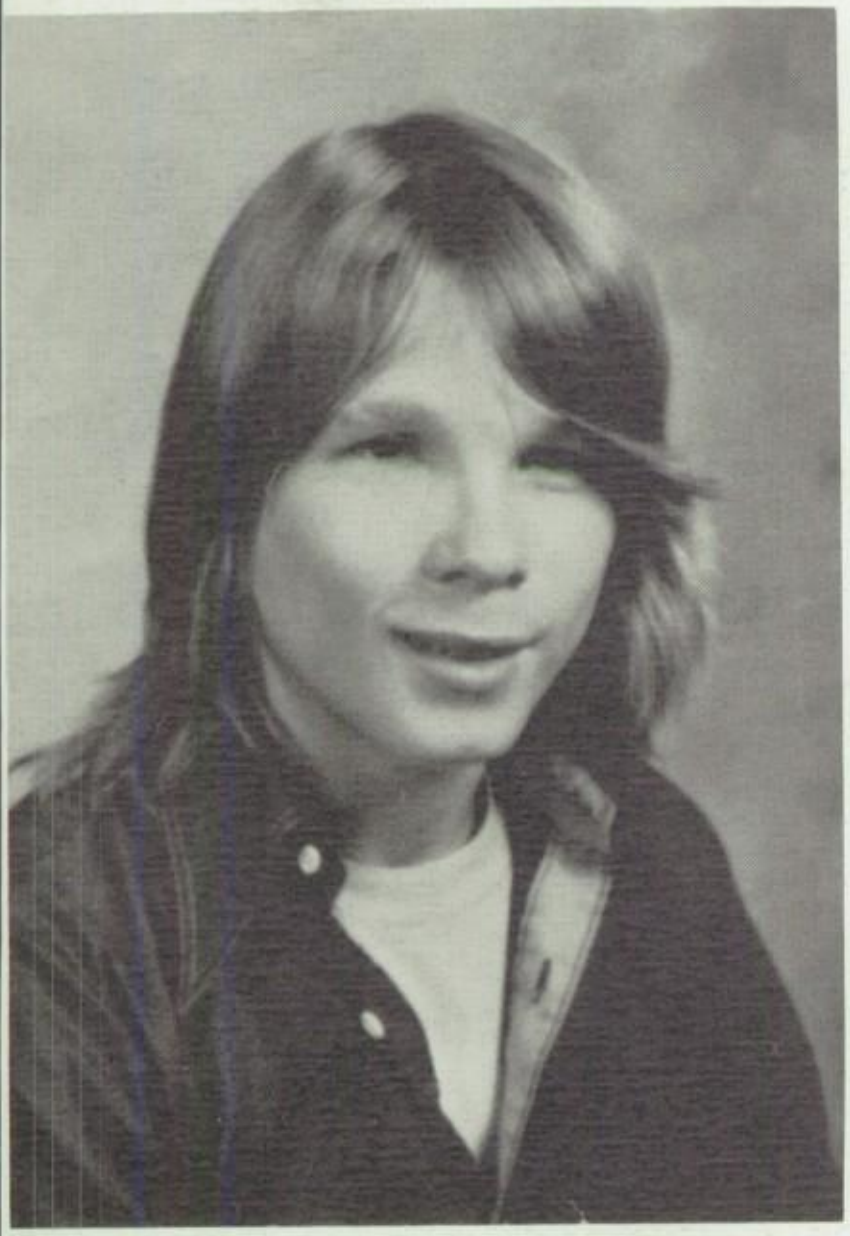
In Memoriam:



DANIEL J. BROWN
CLASS OF 1977
JANUARY 10, 1959-NOVEMBER 10, 1975

Why does life have to be so cruel to the ones we love?

Why can't people all die at the same time?

Then there would be no sadness til the end.

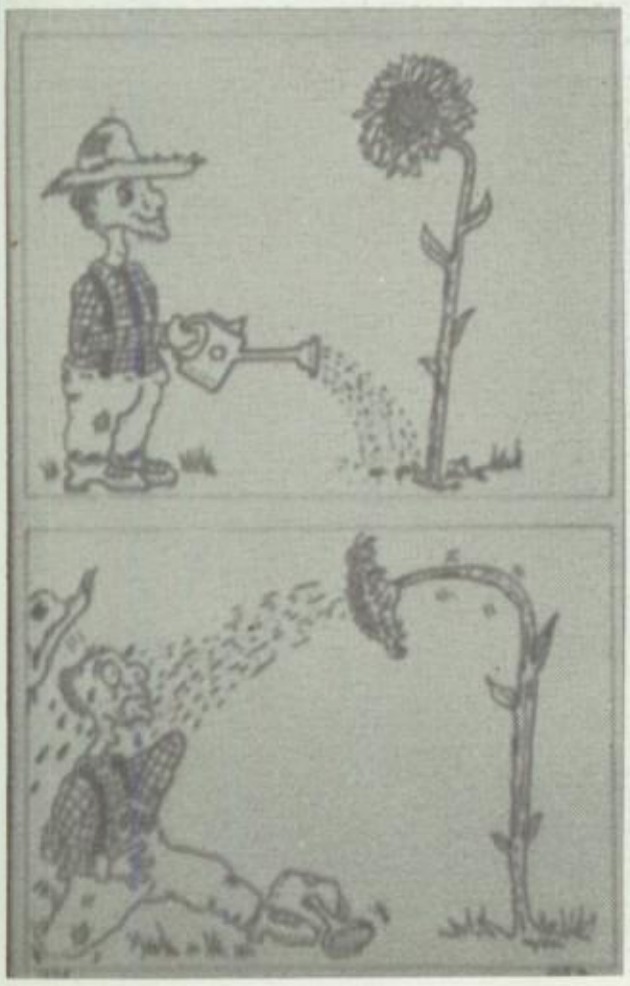
Danny could always put a smile on your face when you were down.

Well, Danny, I need a smile really bad right now, and I want you to come back to those people you love.

Since you cant', please oh please, Danny, remember me in the best way you can.

And I'll try to remember you smiling and being very happy. I'll try . . .

I love you like my brother.



On Nov. 10 the Junior Class experienced a tragic loss of their brother Dan. They will remember him as he was, happy in life, and know that he has achieved a truer happiness in death.

He has touched our lives through both material possesions, such as his art work displayed here at West Catholic, and the friendship he gave to all of us.

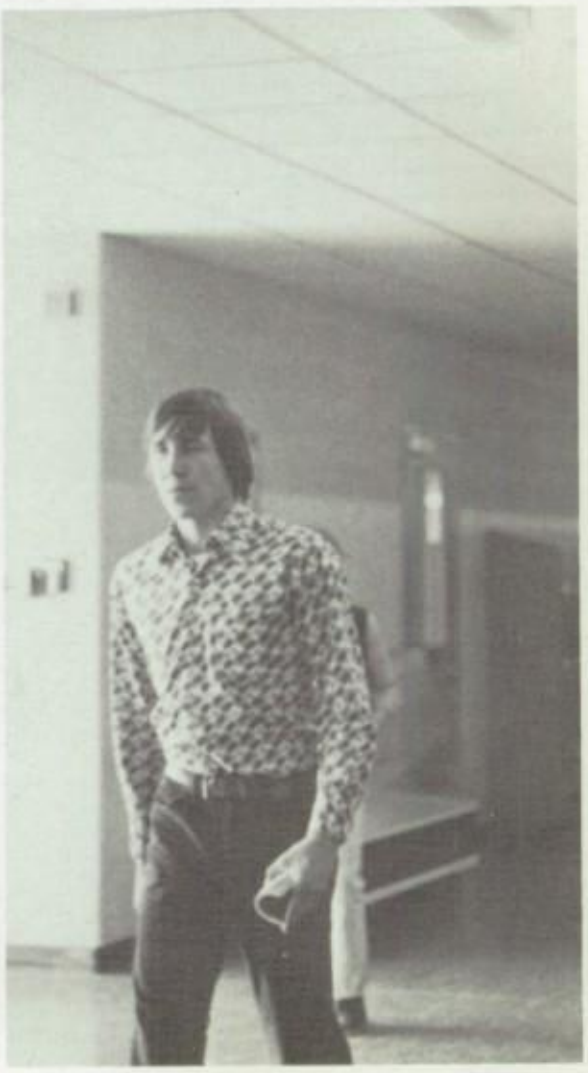
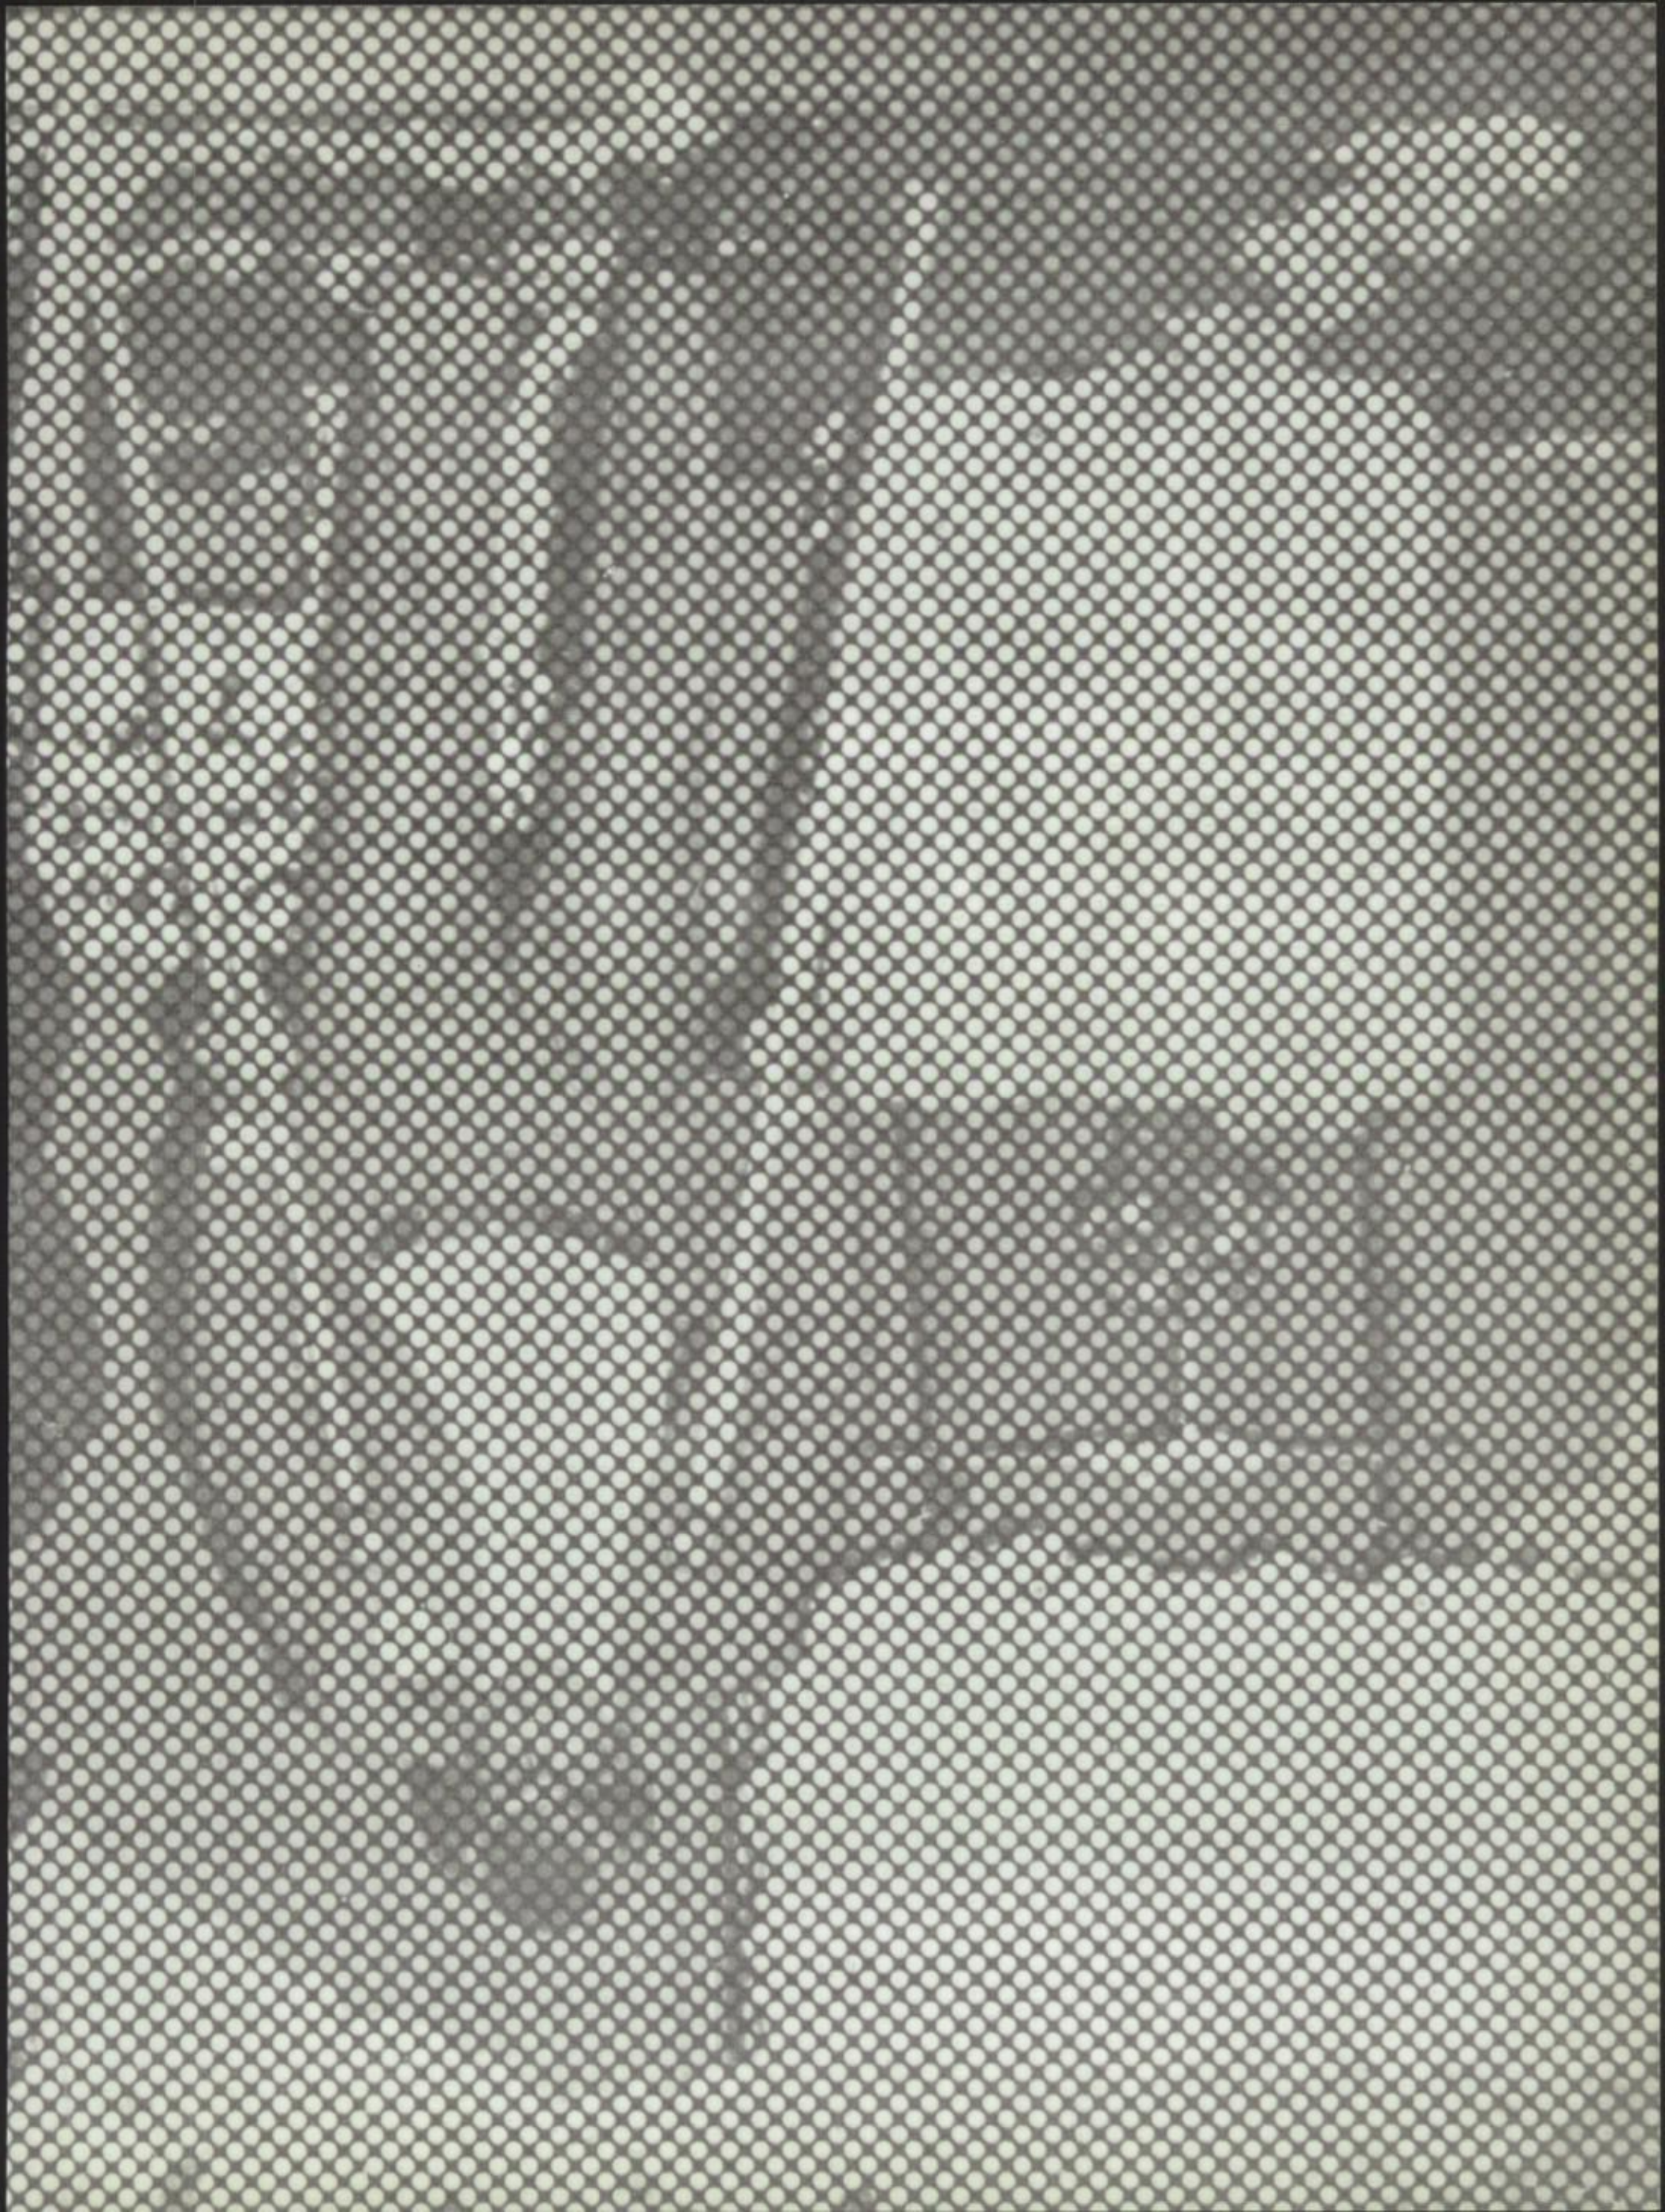
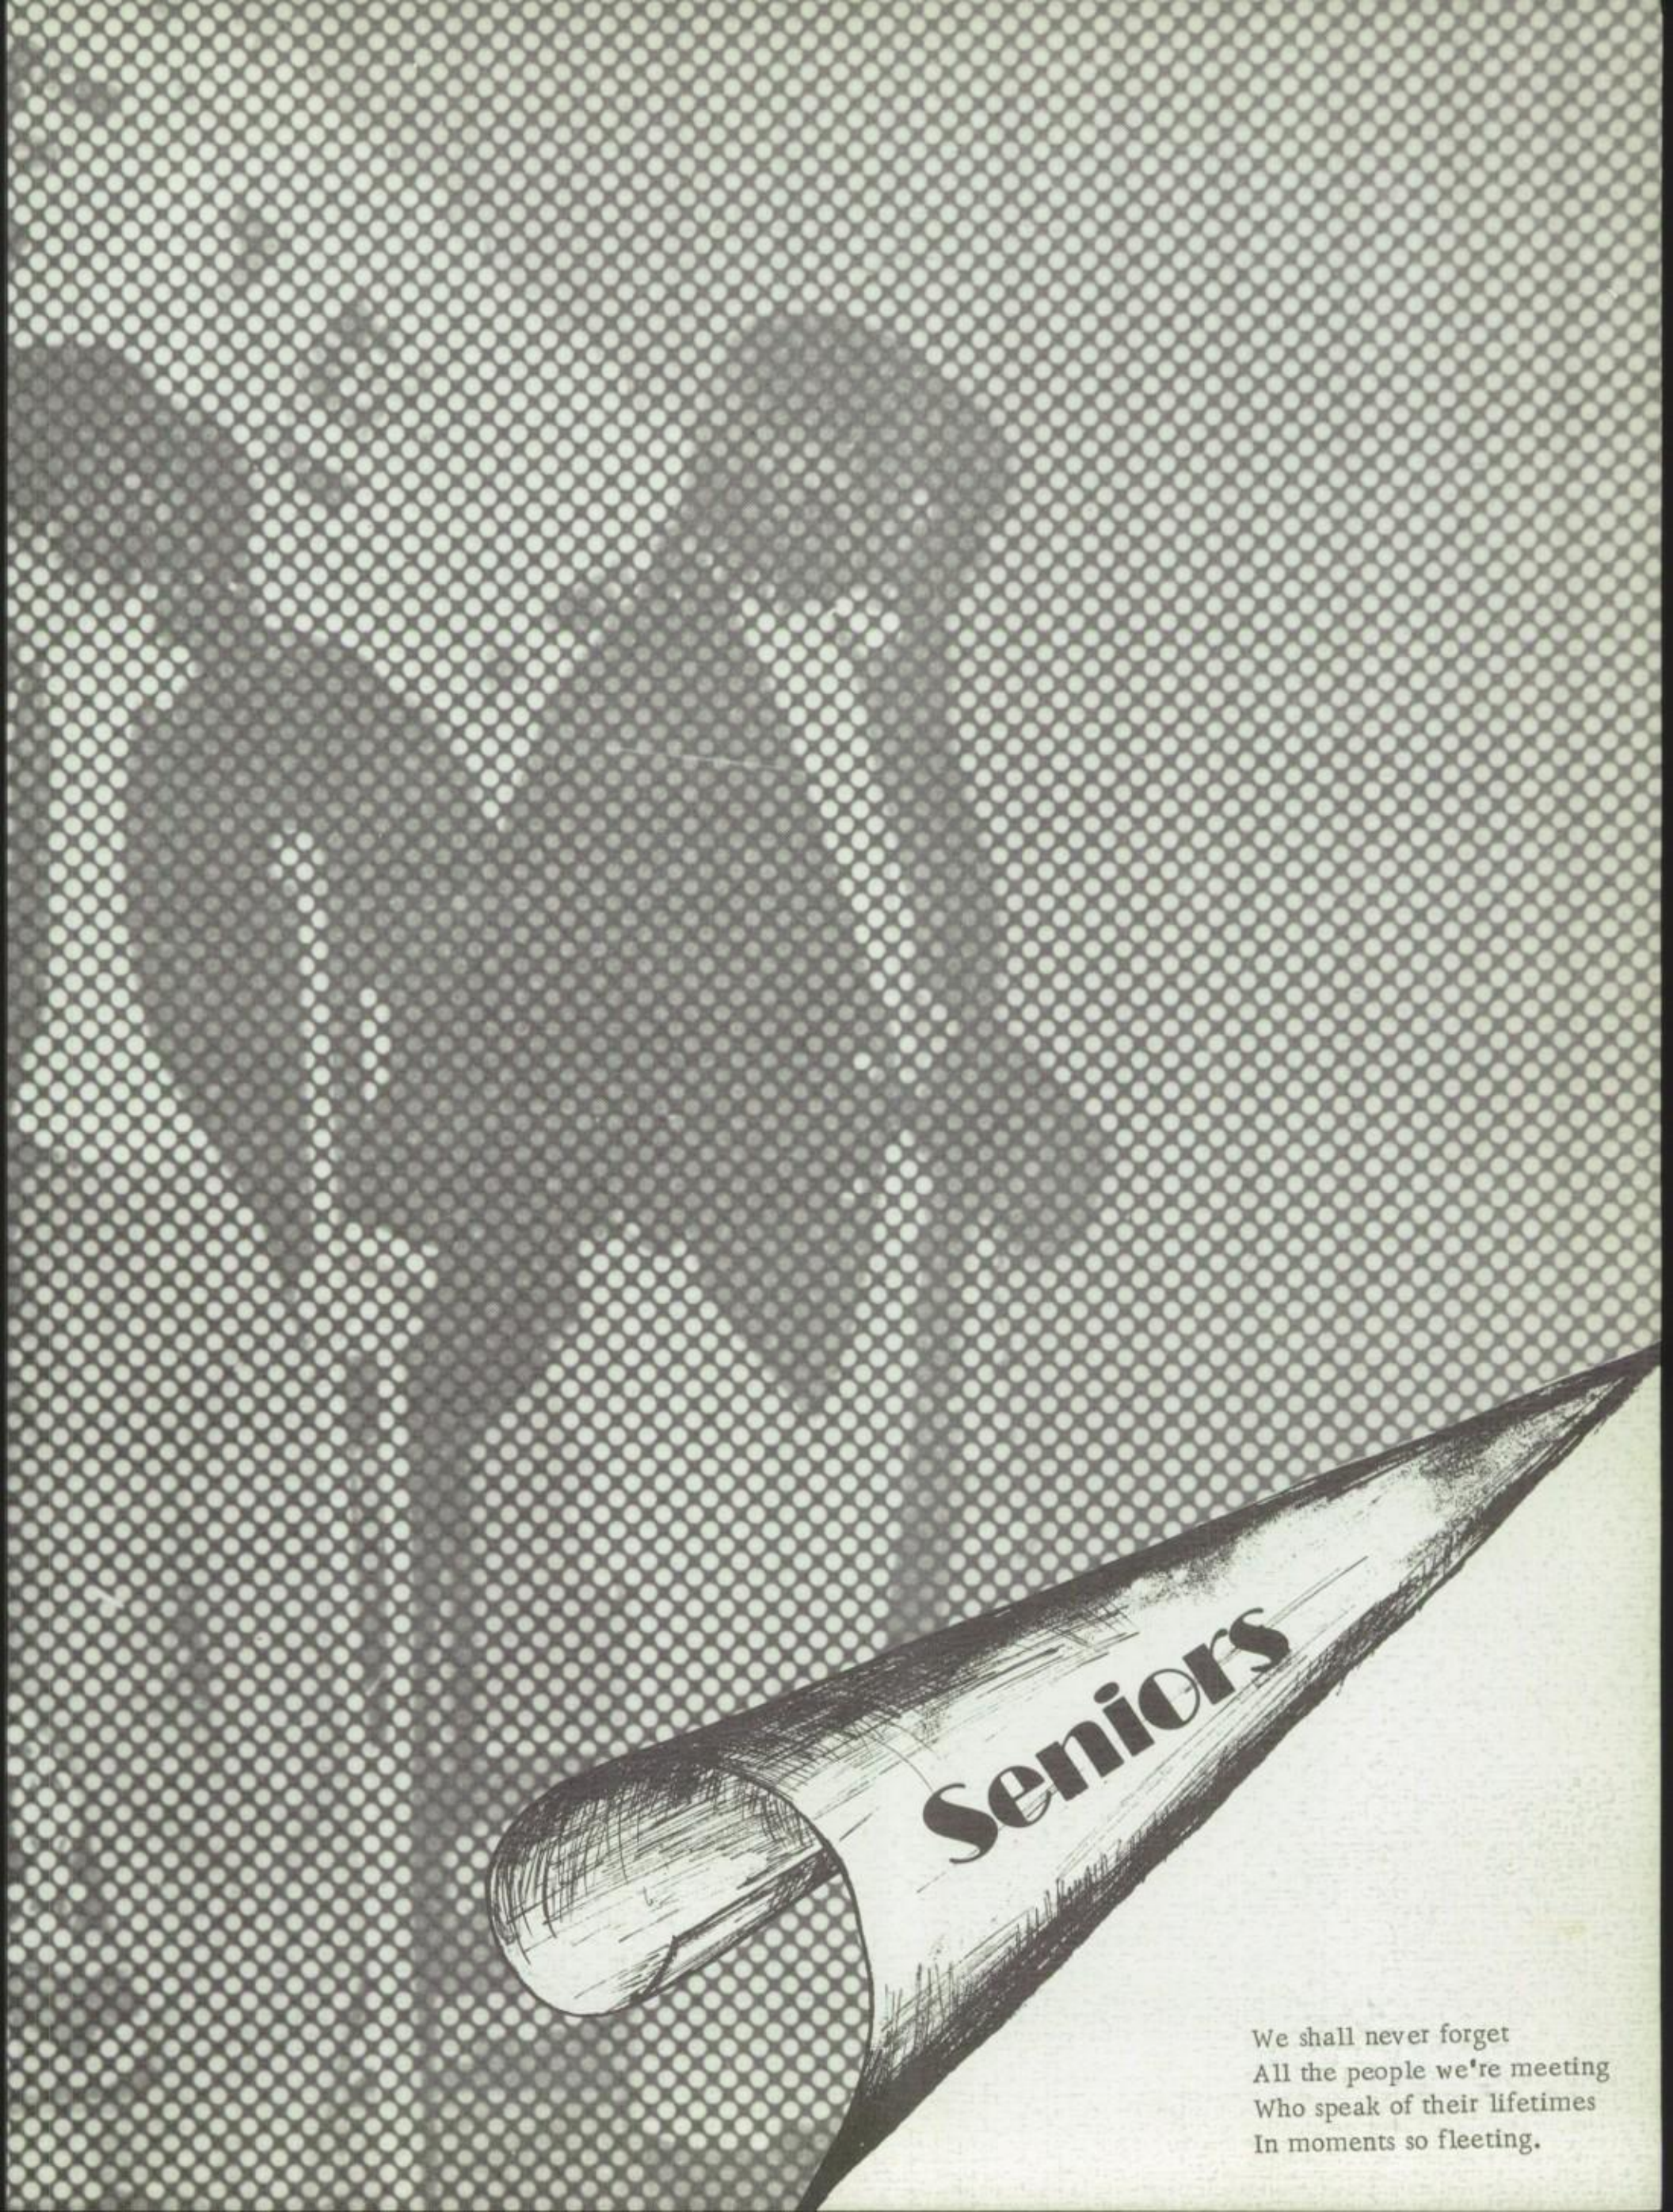
A JUNIOR IS . . .
Being caught in the middle; Freshmen and Sophomores have just gotten here, Seniors are leaving, but Junior are here!

A combination of ups and downs; being together for the victories and bearing the losses alone. Planning for the future and not knowing what to expect.

The mighty Juniors of today are leaders of tomorrow.







We shall never forget
All the people we're meeting
Who speak of their lifetimes
In moments so fleeting.

Seniors Prepare For The Title "GRADUATE"

The Senior Class of '76 is a unique group, with a wide range of talents. I'm proud to be a part of it.

President
Cliff Bloom

I really enjoyed working with our class this year. We accomplished so much, yet had fun doing it. I'd like to thank all of the seniors for your cooperation.

Vice-President
Jackie Thome

I think our class really worked well together. When we were given a project, we got it done. I think we produced a lot of good.

Secretary
Mary Jo Heidenga

We've had a good year. Most people were really willing to work hard, and the results were evident.

Treasurer
Mary Dudek

Class Officers: Mary Jo Heidenga, Mary Dudek, Cliff Bloom, Jackie Thome

DEEP THOUGHTS

The present surrounds us in a whirlwind of thoughts while the past is left behind, never to return, no matter how desperately we grasp for it. The Future, only a poet can imagine. But who are we to step back from the life around us and plan what move to play next? Not I, for I am going to enjoy life, live longing more anxiously than ever before to uncover what sleeps behind tomorrow's dawn.

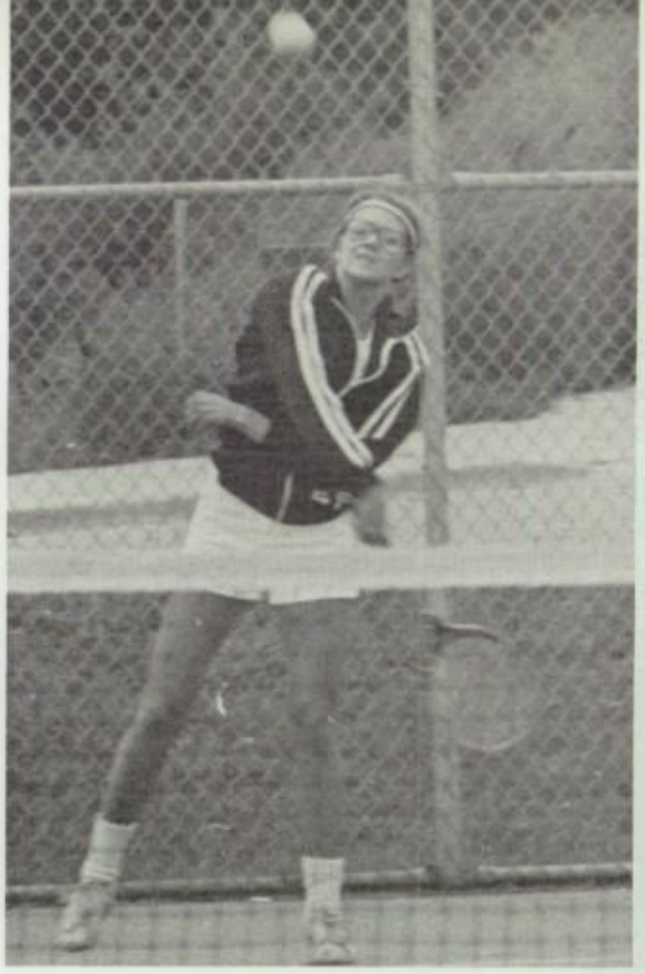
Unity Makes It Work



In a year characterized by introspection, a school and its students begin the move foreward. From old priorities to new committments; from old values to new promises; from old ways of looking at things to new ways of doing things.

The growing pains of any one student become the growing pains of our school as the changes start to take root.

At West Catholic in 1975 and 1976 something happened. We grew. And we learned.

People talked to each other, and listened to each other, and tried to understand. In the process of self-examination . . . it was a start.
